Health for Youth Through Peer Education

10th October 2011

Dear Parent/Guardian,

RE: Provision of a Health drop in

As you may be aware, the HYPE Team has been invited to work in partnership with the Model School for Girls to provide a nurse-led health drop-in which your young person may/will be involved.

The HYPE Team is managed through the Belfast Health and Social Care Trust with the aim of promoting the health of young people through providing them with the information, advice and signposting to relevant health services as and when required. The drop-in will be facilitated by the HYPE Team Nurse who has experience of working with young people. The nurse will be supported by a peer educator.

If you have any questions in relation to the drop-in, please contact me on 02895049748

Yours faithfully

CATHY CURRY
Hype Team leader
