Wednesday 12<sup>th</sup> October 2011

Dear Parent/Guardian

Please be advised that there is no car parking space available within school grounds for those wishing to collect girls in the afternoon, except in the case of those who have mobility issues.

Unfortunately we are in the afternoons, experiencing considerable traffic congestion within school grounds, in the area adjacent to the main school gate. This is due to the presence of illegally parked cars which make it difficult for the school buses to enter, park and pick up our pupils

It would therefore be very helpful if girls could instead be collected from the rear entrance to the school at Marmount Gardens, where there is considerably more space for cars and a designated, flood lit, footpath leads from the school buildings to a pedestrian gate at this location.

This would allow parents to collect girls conveniently and safely and would also facilitate speedy and safe boarding of our school buses.

Yours sincerely

Mr J Graham  
Principal
