

Belfast Model School for Girls

Achievement for All

Rewards System Policy

Agreed by Board of Governors: Sept 2011

To be reviewed: Sept 2014

The Belfast Model School for Girls is committed in its aims and mission statement to creating an environment where
... Effort and success are celebrated

Rationale

Through the formal rewards system we recognise positive behaviour, good attendance and improvement in these areas. This indicates commitment to school. The rewards system enables the identification of barriers to effective learning, allowing strategies to be put into place to address these issues.

Purposes

This system aims:

- To improve attendance
- To improve discipline
- To enhance the commitment of students through the awarding of merit points
- To strengthen links with parents by informing them and updating them of this system
- To increase students' self esteem and self motivation.

Guidelines

Points are awarded for ATTENDANCE, PUPIL PLANNERS, EFFORT GRADES from reports and BEHAVIOUR. This will be linked to the awarding of Honours in Year 13.

These policy Guidelines are translated into action through other policies and procedures, for example:

Attendance Policy

Discipline Policy

Pastoral Care Policy

Teaching and Learning Policy

Special Needs Policy

Citizenship Policy
