Please note: when considering which children should be selected for admission, the Board of Governors will only take into account information which is detailed on or attached to the Transfer Form. Parents should ensure that all information pertaining to their child and relevant to the school's admissions criteria (1-6 above) is stated on the Transfer Form or attached to it.

DUTY TO VERIFY

The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any applicant's Transfer Form.

If the requested evidence is not provided to the Board of Governors by the deadline given, this will result in the withdrawal of an offer of a place. Similarly, if information is supplied which appears to be false or misleading in any material way, the offer of a place will be withdrawn.

WAITING LIST POLICY

Should a vacancy arise after 19 May 2017 all applications for admission to Year 8 that were initially refused, new applications and applications where new information has been provided will be treated equally and the published criteria applied. This waiting list will remain in place indefinitely and be reviewed annually. Parents will be asked if they wish to remain on the list on an annual basis. The school will contact you in writing if your child gains a place in the school by this method. Your child's name will be automatically added to the list. Please contact the school if you wish for your child's name to be removed from the list.
