

BELFAST MODEL SCHOOL FOR GIRLS

Principal: Ms P Stuart, B. Ed, PQH NI, M. Ed

10th August 2020

Dear student

In light of the unprecedented times in which we find ourselves this academic year, and following COVID-19 protocols, unfortunately we will not be able to invite students into school to collect external examination results, as has been the practice in previous years.

This year all students will receive all external examination results by post on Thursday August 13th 2020.

Students who are awaiting results from the CCEA examination board can also access their results online using a personalised identification number (PIN) from 8.00am on Thursday August 13th 2020. Your personalised identification number (PIN) can be found on the enclosed letter. Results from all other examination boards are not available online, but will be posted out to students.

As you await your results, can I ask you to remember that the most important thing is that you are able you progress to the next phase in your career and educational journey, that is Year 14 A2 or equivalent courses.

All Year 13 students wishing to progress to Year 14 A2 or equivalent courses must have obtained AS/equivalent results which would provide a sufficient foundation for further study.

Mrs Cullen, Leader of Learning POST 16 will be in contact via letter on results day with information regarding progression into Year 14.

For your information, I also enclose information regarding the appeals process as outlined by the Joint Council for Qualifications (JCQ). If you have any concerns in regard to an appeal, please follow these guidelines and contact the school office directly.

Yours Sincerely

Ms L Davison

School Examinations Officer
