

Year 9 Remembrance
Day Poster Competition
2020

Remembrance Day is 11th November

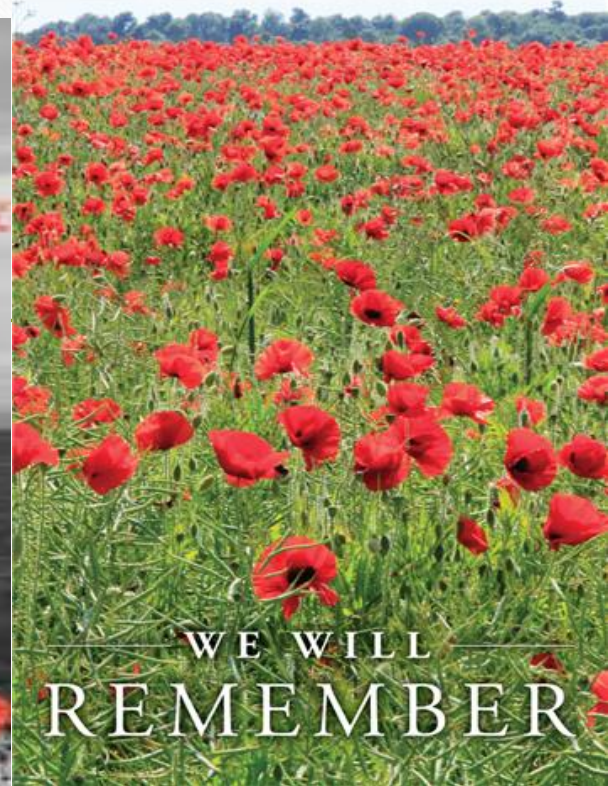

Since the start of Covid 19 you may have heard of Captain Tom – a retired British Army Officer who served in World War 2. In the run up to his 100th birthday he began walking laps of his garden to raise money for the NHS and raised over £30 MILLION.

On Remembrance Day we remember all the soldiers who fought in all the wars since 1918 and especially those who gave their lives to keep us safe.
