HOME LEARNING PROVISION

To ensure that our home learning programme is effective and of a high quality, it is essential that we continue to work together in partnership. To ensure the success of our home school learning programme;

As a school, we will

- Invest in infrastructure
- Ensure our teachers are skilled and knowledgeable in the safe use of Google classroom as an online learning platform
- Provide guidance to students and parents/carers in the safe use of Google classroom as an online learning platform
- Signpost additional resources to support the health and well-being of our school community

As subject teachers, we will

- Be a presence online daily from 9.30am onwards
- Provide high quality, meaningful learning materials according to the students' key stage home learning timetable, that is age and stage appropriate
- Assess students' work and give appropriate feedback to students
- Monitor and follow up student engagement according to school procedures
- Model professional practice online

We encourage our students to

- Log on and be ready for learning daily from 9.30am onwards
- Follow their key stage home learning timetable
- Maintain contact with their subject teachers and form tutor between 9.30-3.00pm
- Complete and submit work set on time
- Be respectful, safe and responsible online

We encourage our parents and carers to

- Support students to work from home in an appropriate environment
- Support students to interact with their subject teachers and form tutor as per their key stage home learning timetable
- Monitor engagement in home learning
- Promptly contact the school with any questions or concerns they may have
