

Did you know...

Did you know...you can now access Google Classroom through your Smart TV, Amazon Firestick, Playstation and Xbox too? You can do it in 4 simple steps:

- 1 Locate your browser 
- 2 In the address bar, type www.classroom.google.com

- 1 Locate the SILK browser  or use Downloader  to browse the Internet
- 2 In the address bar, type www.classroom.google.com

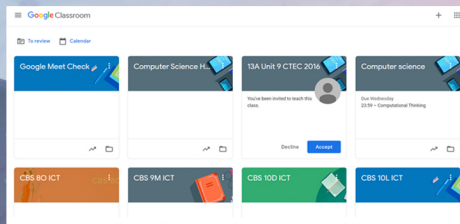

- 1 Locate your www. browser 
- 2 In the address bar, type www.classroom.google.com

- 1 Locate the Microsoft edge Browser 
- 2 In the address bar, type www.classroom.google.com

For all devices...

- 3 Log into Google classroom using your @belfastgms account details
- 4 Your Classroom homescreen will appear

All classrooms, worksheets and videos will be fully accessible to you. If you have a keyboard, you will also be able to type and navigate easily around the screen.

However, if you only have the use of a controller or a tv remote, you can still access everything, but it may be easier for you to complete your tasks on paper.
