

YEAR 11 ASSESSMENTS 2021

This document is your guide to the arrangements for your Year 11 assessments which run from **Monday June 14th to Tuesday June 22nd 2021**. They have therefore been organised to replicate the GCSE/L2 examination conditions as closely as possible and have study time at home built into the programme. We hope this will further support you, not only to cope more effectively with the demands of the assessments that can affect you both academically and personally, but also to help you feel recharged and prepared to continue to present your best throughout.

Arrangements are as follows:

- Year 11 assessments will run from **Monday June 14th to Tuesday June 22nd 2021**.
- During this time, students will not attend timetabled lessons and students **will attend school ONLY when they have a timetabled assessment or Portfolio clinic** for coursework based subjects.
- **Attendance at assessment or Portfolio clinic for coursework based subjects is compulsory.**
- When not in school students will be expected to continue with revision, independent study and where appropriate coursework portfolio completion.
- There will be two assessment/portfolio clinic sessions in the morning.

8.45am – 9.00am	REGISTRATION
9.00am – 10.20am	ASSESSMENT SESSION 1 / PORTFOLIO CLINIC 1
10.20am – 10.35am	BREAK
10.35am – 12.35pm	ASSESSMENT SESSION 2 / PORTFOLIO CLINIC 2
12.35pm	HOME

- If students have a timetabled assessment or portfolio clinic during Session 1, they are expected to be in school for registration at 8.45am on that day.
- If students have a timetabled assessment or portfolio clinic during session 2 only, they are expected to be in school for break at 10.20am.
- **With parental permission students are free to leave school following an assessment /portfolio clinic if they have no other timetabled sessions that day.**
- School uniform is required at all times.

You will only be able to study at home if you have your reply slip signed by a parent/carer and return it to school. If you do not do this or your parent/carer says that you cannot study at home from Monday June 14th, you will be expected in school as normal during the assessment period.

For those students who wish to remain in school for the whole of the school day, there will be a supervised study space before and after assessments where students can go to carry out quiet revision, independent study and coursework portfolio completion.
