Dear Parent/Guardian

I would like to extend a warm welcome to you and your daughter and I hope you will feel at home here in Belfast Model School for Girls. I appreciate that the move from Primary school to 'big school' can present unique challenges for both parents and students and no more so during these unprecedented times in which we find ourselves. Please be assured therefore, that much effort is made to ensure a smooth transition and that your daughter is happy from the outset.

For many of the girls this will be the first opportunity to develop their independence; it could be the first time travelling on a bus on their own, organising their school bag and following a timetable. Please remember this is not the first time we have welcomed Year 8 students into our school. Our Year 8 team bring with them a wealth of experience and we specialise in putting the students at their ease and in helping them develop positive relationships with both students and staff. Throughout Year 8, students will meet regularly with their Form Tutor and will also have the support of myself and the Assistant Leader of Learning, as well as older students. We have encountered practically every problem or dilemma and will do our utmost to resolve any issues that may arise.

This is also a time of great excitement for our Year 8 students, in the months and years ahead your daughter will be able to enjoy new subject areas, pursue new activities, form new friendships as well as achieve great results. Our school Mission statement is 'Achievement for All' and as a school we provide many opportunities for students to achieve in many ways. I hope that your daughter will avail of the wealth of opportunities on offer.

As well as new opportunities and challenges, Year 8 is also a fresh start for everyone. George Eliot said, "It is never too late to be what you might have been." In the Belfast Model School for Girls we believe that every student can be who or whatever they want to be. In an atmosphere of respect, care and love we encourage every student to believe in themselves, their talents and abilities and to believe and hold tight to their hopes and dreams for the future. Your daughter is a valued member of our school and her well-being is paramount.

Our Vision Statement summarises our beliefs and commitments to you and your daughter:

**Belfast Model School for Girls is a vibrant, inclusive learning community. We work in partnership with parents and the local and wider community. Wrapped within a culture of care, support and challenge, all are safe, happy, respected and valued.**

**We are committed to delivering progressive, personalised, high quality education and opportunities to empower all to become the very best that they can be: Model citizens; Model learners; Model professionals.**

We look forward to the year ahead and hope and pray that it will be a healthy, rewarding and enjoyable Year 8 for all of our students, parents and staff. Please note that the information in this booklet is currently correct, but in the wake of Covid-19 there may be changes depending on DE, PHA and EA advice.

Let today be the start of something new!

Yours faithfully

Mrs S McKeown  
Leader of Learning – Year 8

WELCOME

# ATTENDANCE

A school year is very short. It has only 185 days for students. This leaves 180 days for holidays and activities at home. A school week is also very short. Most students spend 7 to 7½ hours at school on each of the five days they attend during term time. This means only approximately one third of a school day is spent in school. Most of the day and the week is spent at home. With the current covid-19 situation and all of the challenges this presents, students may spend even more time at home than they usually do. Time in school is precious. Absence from school and lateness to school can have a negative effect on a student's educational progress, achievement and employment prospects. Therefore, daily attendance and excellent punctuality is our goal for all students, in line with our mission statement 'Achievement for All'. Students must be in school when they are expected to be.

Here are some of the key reasons why it is so important children attend school:

- > TO LEARN
- > TO MAKE NEW FRIENDS
- > TO EXPERIENCE NEW THINGS IN LIFE
- > TO GAIN QUALIFICATIONS
- > TO DEVELOP NEW SKILLS
- > TO BUILD CONFIDENCE AND SELF-ESTEEM
- > TO HAVE THE BEST POSSIBLE START IN LIFE

Although good attendance is expected, we do reward students for full and improved attendance. We have termly certificates and prize draws for students as well as class and year group incentives. Ordinarily, we have an annual Attendance Award Ceremony where we celebrate excellent attendance in school. We hope you will be able to join with us next year because your daughter has attended school every day in Year 8!

## ATTENDANCE

### TRAFFIC LIGHTS

Every month the students are made aware of their attendance percentage. The girls discuss this with their Form Tutor and decide whether it is on target or in need of improvement using the idea of traffic Lights. The girls note their attendance percentage in their Student Planner. What surprises some girls and also parents is that 90% is not good as it would be in a test or assessment!

Every single day a child is absent from school equates to a day of lost learning.

- ✓ ENSURING SHE IS ONLY ABSENT FROM SCHOOL IF SHE IS REALLY UNWELL
- ✓ CHECKING HER STUDENT PLANNER FOR HOMEWORK AND ENCOURAGE IT TO BE COMPLETED THE DAY IT IS GIVEN
- ✓ TAKING AN INTEREST IN WHAT SHE IS DOING IN SCHOOL AND ENCOURAGE HER TO GET INVOLVED IN EXTRA-CURRICULAR ACTIVITIES
- ✓ MONITORING SOCIAL MEDIA
- ✓ CONTACTING HER FORM TUTOR IF YOU HAVE ANY CONCERNS

# PASTORAL PROGRAMME

At Belfast Model School for Girls we believe in building character and instilling values which are important in shaping the girls as model citizens within the community.

Our Model Mind to be Kind programme is about helping young people understand the importance of demonstrating kindness, showing respect and living without harm not just to those people who are like them but to people who are not like them: How we relate to people who don't think the same way as us, or believe the same things, is a crucial skill that needs to be taught. These 3 principles will be addressed in assemblies and form period throughout the year.

Alongside our Model Mind to be Kind programme we will also cover the following areas:

- Respect
- You are Awesome
- Organisation
- Resilience
- Confidence & Self belief
- Positive Relationships
- Healthy Mind & Body
- Study Skills

## Principle 1: Doing Acts of Kindness

a. Students are kind in what they think about themselves and others who are different to them

b. Students can recognise acts of kindness in themselves and others who are not the same as them

term 1

term 2

## Principle 2: Showing Respect

a. Students are able to accept other people have different views to them and that it is OK that they do

b. Students are able to show people respect at all times even if they don't like them, what they say/do or what they believe

## Principle 3: Living without harm

a. Students can recognise unkind actions in themselves and others

term 3

ACHIEVEMENT FOR ALL

# CONTACTING US

If you have a question, query or concern about any aspect of school life, please contact:

Where at all possible, parents should avoid coming to the school without an appointment. Instead we ask that you ring ahead to seek an appointment at a time when the member of staff who you need to speak to is free. This avoids any interruptions to teaching and learning, as we do not allow teachers to leave classes for meetings.

Please ring the school, leave a message with our reception team with a brief outline of the issue and the member of staff will call you back as soon as they can. It is reasonable that this call may come the next day (for example, some staff teach all day without a break and then may have a personal appointment/child-care arrangement after school). Alternatively, you can leave a note in your daughter's planner requesting a call back.

**NB:** Where parents feel their complaint is of a very serious nature, or relates to the health, safety and/or wellbeing of a young person, they should make contact with the Principal or Vice-Principal

# MODEL KS3

In Belfast Model School for Girls we understand that talent and capability are only the starting point. We believe that effort and determination are the key to success.

We encourage our students to embrace a growth mindset. We know that intelligence can be developed. We help our students to become resilient and persistent learners who embrace challenges and who see failure as an opportunity to learn. We strive and work hard together to ensure 'Achievement for All'.

**In Year 8 - Year 10, classes are all ability across the year group.**

## NURTURING GROUP

**THE 'NURTURING'**  
GROUP WILL BE A FORM GROUP

The Nurturing Group is made up of those students who we know, for a wide variety of reasons, will need most support with their transfer to post-primary school. This group will have the same specialist teacher for a significant part of their week - for English, Maths, Drama, RE, Literacy and Numeracy - with a focus on the knowledge, skills and competencies required to be successful at post-primary school.

Year 8 - Year 10 study the following subjects:

Art

Drama

English

Geography

Home  
Economics

History

Digital  
Technologies

French\*

Learning for  
Life and Work

Maths
