YEAR 14 WINTER EXAMINATIONS & ASSESSMENT SCHEDULE 2021

This document is your guide to the arrangements for the Year 14 Assessment Week, which is scheduled from **Monday 6th December to Friday 10th December 2021**. Assessments are a crucial step in the preparations for your external A Level/L3 examinations in June 2022. The week, has therefore been organized, to replicate the examination conditions as closely as possible, and has Home Study built into the programme. We hope this will further support you, not only to cope more effectively with the demands of the examination season, that can affect you both academically and personally, but also to help you feel recharged and prepared to continue to present your best throughout the KS5 Assessment Week. Arrangements are as follows:

- The KS5 Assessment Week will run from **Monday 6th December to Friday 10th December 2021**.
- During this time, Year 14 students will not attend timetabled lessons and **will attend school ONLY when they have a timetabled Examination Assessment or Coursework Portfolio clinic** for coursework based subjects.
- **Attendance at Examination Assessments or Coursework Portfolio clinics for coursework based subjects is compulsory.**
- When not in school, students will be expected to continue with revision, independent study (with the support of Google Classroom) and where appropriate coursework portfolio completion at home.
