## YEAR 12 HOME-SCHOOL STUDY PROGRAMME SUMMER 2022

**This document is a guide for your Year 12 Home-School Study Programme, detailing the arrangement for your Public Examinations and Revision Sessions.**

As you know, all of your Public Examinations are very important, as contribute to your final overall GCSE grades. Therefore, it is crucial you approach this period with a serious mindset and maximum effort. The outcome of these examinations will play a large part in determining what you will be able to do in the next stage of your education, training or employment.

Please go through the timetable on the following pages **carefully and highlight dates and times of all of your Public Examinations and Revision Sessions**, and times when you will follow your usual timetable. Details of your Public Examinations are in **black** type whilst details of your Revision Sessions are in **green** type.

During the remainder of Home-School Study Phase 2, we have purposefully built in some time to study at home to further support you, not only to cope more effectively with the demands of the examinations that can affect you both academically and personally, but also for you to get recharged and prepared to continue to present to your best throughout the examination period. This has been detailed on the timetable and highlighted in **pink** for Home Study day on Friday 20<sup>th</sup> May and in **blue** for the afternoon after your Maths examination on Tuesday 24<sup>th</sup> May.

From Monday 30<sup>th</sup> May **Home-School Study Phase 3** will commence, when you will **only** be expected to be in school for any Public Examinations and Revision Sessions. **Parents / carers must return the reply slip attached to the letter to give permission for you to go home early, avail of a study day and also to be at home during Phase 3, otherwise you will be expected to be in school.**

**When in school**, full school uniform is required at all times – **NO PE KITS!** You must be **punctual for registration at 8.45am**. **When not in school**, you will be expected to continue with revision at home.

### **As a reminder:**

- All morning examinations begin at 9.30am and all afternoon examinations begin at 1.30pm.
- If sitting a morning examination, you must be present for registration with your form tutor at 8.45am and then make your correct location at the start of Period 1.
- If sitting an afternoon examination, you must go to lunch P5 and then be present in the correct revision session location at the start of P6A.
- Please note the location of all of your Revision Sessions and Examinations (usually in the Central Hall).
- Please ensure that you know your candidate number and where appropriate, your seat number (more details to follow).
- Usual examination rules apply – no mobile phones, watches or bags are permitted in the Examination room.
- Please ensure you have all the equipment you require i.e. pens, pencils, rulers, calculators etc. Any pencil cases must be clear.
- Water will be available in the Examination room if you require it.
- Please speak to your Form Tutor if you have any further queries.

# Y12 HOME-SCHOOL STUDY PROGRAMME 2022 PHASE 2
