

Foreword

Dear students, staff, parents and invited guests,

It is my pleasure to host this Junior Prize Giving ceremony. This event gives us an opportunity to recognise and acknowledge the talents and achievements of our KS3 students within each year group. As school Principal, I am very proud of the students. So much has been achieved by the students in their endeavour to succeed and to be the very best that they can be. Frequently, I ask the students to be proud of their school and to make us proud of them – they have certainly risen to this task, despite some very challenging circumstances.

It is a tribute to the quality of the teaching and learning at Belfast Model School for Girls that our students, working closely with their teachers and support staff, in school and from home, have achieved such great success.

Of course, celebrating academic success is only one aspect of this event. Our students have demonstrated outstanding talent and ability in all aspects of their education, including: sports, music, drama, dance, art, business, technology, enterprise and media - the recent KS3 show was outstanding! We are confident that the success being celebrated here today will be replicated and built upon in the future. Very well done girls!

I hope you will enjoy and take pleasure in this prize giving event and are feeling very proud to be the parents and carers of such wonderful young people. Hopefully the experiences and relationships fostered at Belfast Model School for Girls will remain with the girls forever, and will continue to inspire them no matter which path they choose in life.

I thank you for your continuing support, and offer my best wishes for the future. Have an enjoyable and safe Summer Break!
