YEAR 12 HOME-SCHOOL STUDY PROGRAMME SUMMER 2024

This document is a guide for your Year 12 Home-School Study Programme, detailing the arrangements for your Public Examinations and Revision Sessions.

As you know, all of your Public Examinations are very important, as they contribute to your final overall GCSE grades. Therefore, it is crucial you approach this period with a serious mindset and maximum effort. The outcome of these examinations will play a large part in determining what you will be able to do in the next stage of your education, training or employment.

Please go through the timetable on the following pages **carefully and highlight dates and times of all of your Public Examinations and Revision Sessions**, and times when you will follow your usual timetable. Details of your Public Examinations are in **black** type whilst details of your Revision Sessions are in **green** type.

From Monday 3rd June **Home-School Study Phase 3** will commence, when you will **only** be expected to be in school for any Public Examinations and Revision Sessions. **Parents/carers must return the reply slip attached to the letter to give permission for you to be at home during Phase 3, otherwise you will be expected to be in school.**

When in school, full school uniform is required at all times – **NO PE KITS!** **When not in school**, you will be expected to continue with revision at home.
